Verse of the Week

When I look out into the world, I see
Such wondrous beauty bursting forth in each
direction.

When in my heart I look, I feel in me
How Nature's beauty here must find its true
reflection.

For when my heart expands and grows aright,
When, on the wings of beauty, to the farthest
realms of space

I'm taken,
Then is my own self lost within the light,
In quiet joy at last within the arms of God to
waken.

From - *In the Light of a Child*,
Michael Hedley Burton
