POLICY FOR ADMISSION TO SCHOOL YEAR 2026/2027

Raheen Wood Community National School

A decision on an application for admission will be based on the implementation of this Policy, the information set out in the Annual Admission Notice of the school and the information provided by the Applicant in the application for admission, once received before the closing date set out in the annual admission notice. The Principal of Raheen Wood Community National School is responsible for the implementation of this Admission Policy.

Introduction to Raheen Wood Community National School

RWCNS is a co-educational, multid denominational, child centred school, founded on the principles of Steiner-Waldorf education, under the Patronage of the Limerick and Clare Education and Training Board.

The school operates within the regulations laid down by the Department of Education, and the school Policy has regard to the resources and funding available.

Ethos

Raheen Wood Community National School is founded on the principles of Steiner-Waldorf education and the conviction that a true education must engage and nourish the whole child: body, mind and spirit. It is an education that seeks to awaken capacities. We work to develop an education that is a living, loving process. This education recognises that as a child changes and grows, so does his or her readiness and ability to take up certain tasks in their lives. This education

will awaken in them the confidence and truth of their connection to and place in the wider community and world.

Raheen Wood Community National School is committed to creating an inclusive school that fosters acceptance and respect for diversity of culture, practices, customs, and beliefs, intellectual and physical abilities. Raheen Wood Community National School is one of twenty-seven Community National Schools, which are child-centred, multid denominational, publicly-accountable schools. Our schools strive to provide high quality education for every child and give equal opportunities to all children in the communities we serve. Our four pillars are Excellence in Education, Multi-Denominational, Community–Focused and Equality Based.

Context, Resources, School Organisation & Curriculum

The school supports the principle of equality for all students regarding access to and participation in the school. The school respects the diversity of traditions, values, beliefs, languages and ways of life in society. The school acknowledges the right of parents to send their children to a school of the parent's choice, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources and subject to the capacity of the school to provide for the needs of any applicant or student. The school will make every

effort to secure those resources— but where the resources cannot be secured the school may refuse admission.

The limits to class size which currently apply are as follows:

Kindergarten (Combined Jnr & Snr Infants):	26
1st & 2nd Class combined:	26
3rd & 4th Class combined:	28
5th & 6th Class combined:	28
An Cuan Autism Support Class:	6

The school is staffed in accordance with the standard pupil–teacher ratios sanctioned by the Department and any additional teaching hours sanctioned by the Department in respect of curricular concessions, additional needs, intervention programmes etc. The school operates within the regulations laid down by the Department from time to time.

The capacity of the school to implement its desired curriculum, its broad range of educational programmes, its breadth of extra-curricular activities, its school plan and policies are dependent on the resources it receives. Consequently, in determining its activities and programme for any school year the school must have due regard to the teaching, management and administrative resources and the accommodation, equipment and funding available to it.

We teach the Stay Safe program and RSE at appropriate class level in accordance with Department of Education regulations and as part of our commitment to child protection as well as teaching the ‘Goodness Me Goodness You’ which is a multi-belief and values curriculum that has been developed for Community National Schools.

1. GLOSSARY OF TERMS

‘Applicant’ means the parent / guardian of a Child who has made an application for admission to Raheen Wood Community National School.

‘Child’/ ‘Student’ means the person in respect of whom the application is being made. All uses of the word ‘Student’ throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘Student’ does not mean that an application or acceptance of offer makes him/her a student of Raheen Wood Community National School; a person is only regarded as a student of Raheen Wood Community National School once s/he is enrolled on his/her first day of attendance. It does not include a person who was formerly enrolled in the school and was permanently excluded from the school or who left the school after being recommended for expulsion by the Board of Management.

‘Enrolled’ means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

‘Gender’, in line with the definition of “*the gender ground*” in the Equal Status Act 2000, is such that “*one is male and the other is female*”. This does not prejudice any Child who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

‘Catchment Area’ refers to the designated residential area for application to Raheen Wood Community National School in respect of the person on whose behalf the application is being made. The catchment area for Raheen Wood Community National School is defined as: “*Children whose primary residence is within a 20 kilometre distance by road of the school. If a class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first.*”

Bord Oideachais & Oiliúna
LUIMNIGH & AN CHLÁIR
LIMERICK & CLARE
Education & Training Board

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

‘Early Start Pre-Schools’ refer to the 40 classes established in some designated disadvantaged schools through the form of a one-year intervention scheme for children between the ages of 3 years and 5 years, who are at risk of not reaching their full potential within the school system. The early start classes are offered in the September prior to the Child starting Junior Infants and are designated in a list published by the Minister for Education and Skills. Participation in the ‘Free PreSchool’ year through the ECCE scheme or an independent pre-school/creche does not qualify as participation in an Early Start Pre-School Class.

‘Early Intervention Classes’ refer to additional education classes established in schools which are available for children aged 3 years – 5 years with autism. A small number of Early Intervention Classes are available for children who are deaf/hard of hearing and children with physical disabilities.

‘Special Class’ means a class that has, with the approval of the Minister of Education, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education. Raheen Wood Community National School has a Special Class or Autism Support Class as it is termed in the school, An Cuan, established to cater for special educational needs of Students with Autism that have a recommendation in their diagnostic report for placement in a Special Class.

‘Relevant Report’, as advised by the Department of Education and the National Council for Special Education (NCSE), means a written report based on an assessment by a relevant professional, which:

- (a) provides detailed evidence of the Student’s needs,
- (b) confirms that those needs constitute complex/severe educational needs which arise from a named diagnosis relating to the Student, and

(c) makes a recommendation for a Special Class placement for the Student on the basis of his/her complex/severe educational needs arising from said diagnosis.

The relevant professional may include an educational psychologist, psychologist, other relevant health professionals, HSE disability services or HSE multi-disciplinary team staff, in line with guidance issued by the NCSE on this point.

‘Junior Infants’ means the intake group of Students for the most junior class in a school, but does not include the Early Start Pre-Schools/Early Intervention Classes or any crèche or pre-school groups facilitated on site.

2. ADMISSION STATEMENT

ETB schools are state, multid denominational, co-educational schools underpinned by the core values of:

- Excellence in Education
- Care
- Equality
- Community and
- Respect.

As the State provider of education, the ETB sector defines a ‘multidenominational’ school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Bord Oideachais & Oiliúna
LUIMNIGH & AN CHLÁIR
LIMERICK & CLARE
Education & Training Board

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, Raheen Wood Community National School shall not discriminate in its admission of a child based on the following grounds:

- 2.1. Gender of the child or applicant.
- 2.2. Civil status of the applicant
- 2.3. Family status of the child or applicant
- 2.4. Sexual orientation of the child or applicant
- 2.5. Religion of the child or applicant
- 2.6. Disability of the child or applicant
- 2.7. Race of the child or applicant
- 2.8. The child's or applicant's membership of the Traveller community
- 2.9. Special educational needs of the child or applicant. [However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special

Class, it is not discriminatory to refuse to admit to that class a Child who does not have the specified special educational need(s).]

Raheen Wood Community National School shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a child.

3. LEGAL FRAMEWORK

Limerick Clare Education Training Board [LCETB] was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Raheen Wood Community National School is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.2 in respect of applications made to the Junior Infant group, in section 6.2 in respect of applications made to all classes other than the Junior Infant group and in section 7.2 in respect of applications to the An Cuan Autism Support Class.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent requests their child to opt-out of religious instruction. Religious instruction is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition. Community National Schools deliver a ‘multi-belief and values education’ curriculum called ‘Goodness Me! Goodness You!’ (GMEY). This curriculum is designed to cater for children of all religions and beliefs attending the school.

Raheen Wood Community National School will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Raheen Wood Community National School will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

4. GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the school, and the
- information provided by the applicant in the application for admission.

In processing an application Raheen Wood Community National School **shall not consider**:

4.1 The payment of fees or contributions to the school

4.2 A child's academic ability, skills or aptitude; unless:

- it is necessary to ascertain whether or not the Child has the category of special educational needs concerned for admission to a school approved by the Minister of Education providing education exclusively to Students with a specified category of special educational needs or a Special Class

4.3 The occupation, financial status, academic ability, skills or aptitude of a child's parent(s);

4.4 A child's prior attendance at a pre-school or pre-school service, other than in relation to a child's prior attendance at an Early Intervention class or an Early Start Pre-School, which classes and schools are specified in a list published by the Minister.

4.5 A requirement that a child or his or her parent(s), attend an interview, open day or other meeting as a condition of admission;

- 4.6 A child's connection to the school due to a member of his or her family attending or having previously attended the school, unless the connection is a sibling of the child concerned attending, or having attended, the school. However, the maximum number of places filled by this criterion does not exceed 25% of the available places as set out in the school's Admission Notice for that academic year.
- 4.7 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual admissions notice for that academic year.

Raheen Wood Community National School will consider the offer of a place to every child seeking admission to the school, **unless one of the following applies:**

- 4.8 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and shall make all reasonable efforts to ensure compliance with such code by the child if the child becomes a student in the school;
- 4.9 The Child seeking admission to a Special Class in the school does not have the category of special educational needs specified by the Minister of Education in respect of that class or has not attained a place in the class relevant to that Child

Where Raheen Wood Community National School considers an application, each Child shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions for the Junior Infant Group.

Section 6 of this Policy addresses the selection criteria and other matters related to the admission provisions for all classes other than Junior Infants.

Section 7 of this Policy addresses the selection criteria and other matters related to the admission provisions for the An Cuan Class.

5. APPLICATION TO THE JUNIOR INFANT GROUP

5.1 Admission Provisions (Junior Infant Group)

- 5.1.1. Oversubscription
- 5.1.2. Selection criteria in order of priority
- 5.1.3. Selection process
- 5.1.4. Late Applications
- 5.1.5. Second/third-round offers of a place
- 5.1.6. Acceptance of a place
- 5.1.7. Refusal
- 5.1.8. Withdrawal of an offer

5.2 Appeals

- 5.2.1. Appeal where refusal was due to oversubscription
- 5.2.2. Appeal where refusal was for a reason other than oversubscription
- 5.2.3. Basis for a review by the board of management

5.1 ADMISSION PROVISIONS (JUNIOR INFANT GROUP)

In the event that Raheen Wood Community National School is not oversubscribed, all children will be offered a school place, subject to section(s) 4.8 and 4.9.

A Child applying for the Junior Infant Group but seeking admission to the An Cuan Autism Support Class should see section 7 of this Admissions Policy. If the Child is also applying for a place in the mainstream Junior Infant Group in the event of an unsuccessful application to the An Cuan Autism Support Class, this section 5 is also applicable.

Incomplete applications received by the school will not be processed under this policy.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Raheen Wood Community National School is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which children have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the An Cuan Autism Support Class.

For the avoidance of doubt, if a child does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same class group in the following academic year, a new application must be made on behalf of that child during the dates specified by the school as being the period when it will accept applications to all classes other than the Junior Infants Group.

Where an application is made on behalf of a Child for both the An Cuan Autism Support Class and a mainstream class group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place that was offered.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a child is admitted to the school.

5.1.2 Selection criteria in order of priority

Raheen Wood Community National School will apply the following criteria for admission to the Junior Infant Group:

- 5.1.2.1 The child will be aged 4.5 years or over on September 1st in year of admission.
- 5.1.2.2 Priority is given to brothers and sisters of children already in the school or who have attended the school in the past.
- 5.1.2.3 The child is a son/daughter of a current member of teaching staff.
- 5.1.2.4 The child or the family of the child, who reside in Ireland, have previous experience of Steiner (Waldorf) Education.
- 5.1.2.5 The child resides in the catchment area and their primary residence is within a 20 km distance by road of the school. If the class is oversubscribed within the application of this particular criterion, then a lottery for the remaining places will take place.
- 5.1.2.6 Any remaining applicants.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an Applicant is admitted.

Note: See section 7 for selection criteria applicable to admission to the An Cuan Autism Support Class.

5.1.3 Selection process

Raheen Wood Community National School will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the relevant class still has places available, the remaining applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the relevant class. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Raheen Wood Community National School will apply a random lottery to assign any available places in the relevant class, or on the waiting list, to those applications.

N.B. The number of places available in a mainstream class group is subject to reduction in the event that a placement(s) in the An Cuan Autism Support Class is/are given to Student(s) from that mainstream class group, *i.e.* the selection process for the An Cuan Autism Support Class will be completed before the selection process for the mainstream class group and the number of Students who are offered a place in the An Cuan Autism Support Class will be the number by which the places in the relevant mainstream class group(s) are reduced¹.

5.1.4 Late applications

An application received by Raheen Wood Community National School after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

¹ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”

Where the relevant class is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section(s) 4.8 and 4.9. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where the relevant class is not oversubscribed, i.e. there is no waiting list, and it receives a late application, the child seeking admission will receive an offer of a place within the relevant class, subject to section(s) 4.8 and 4.9. The same process as applies to applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the applicant for completion and return to the school within 2 weeks of issue.

5.1.5 Second/third-round offers of a place

Where a child is in receipt of an offer of a place within the relevant class but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next child on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the relevant class have been filled.

5.1.6 Acceptance of a place

If the child in respect of whom the application is made is offered a place, the applicant will be issued with an Acceptance Form by the school.

The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

5.1.7 Refusal

Where a child in respect of whom an application is being sought has not been offered a school place, the applicant will be provided in writing with:

- 5.1.7.1. The reasons that the child was not offered a place in Raheen Wood Community National School
- 5.1.7.2. Details of the child's ranking against the published selection criteria, if the class-group to which the applicant is applying is oversubscribed
- 5.1.7.3. Details of the child's place on the waiting list, if applicable; and
- 5.1.7.4. Details of the applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.8 and 4.9, an offer of admission may not be made where:

- 5.1.7.5 The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The applicant fails to confirm acceptance of an offer of admission on or before

the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or

5.1.8.3. An applicant has not indicated:

- (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
- (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Child on whose behalf the application was made shall lose his/her place for that academic year (and shall not be placed on a waiting list). If the Applicant still desires a place for that academic year, a new application must be made for the same academic year on behalf of that Child and shall be treated as a late application in line with section 5.1.4 above.

5.2 APPEALS

5.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info@raheenwood.org

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a ‘Section 29 Appeal Form’, available at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-appeal-if-a-child-has-been-refused-admission-because-the-school-is-full> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. Contact details for the Unit are available on the Department’s website. As per the Department of Education’s ‘*Procedures for hearing and determining appeals under section 29*’, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal, whichever is earlier, and the appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

5.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Raheen Wood Community National School for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a ‘BOMR1 Form’, available from the school office and at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School. Such a review must be sought by the Applicant within twenty-one calendar days of the school’s decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info@raheenwood.org . (An applicant may withdraw a request for review at

any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available> and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's 'Procedures for hearing and determining appeals under section 29', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

5.2.3. Basis for appeal:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

6.1 ADMISSION PROVISIONS (OTHER THAN JUNIOR INFANTS)

In the event that Raheen Wood Community National School is not oversubscribed, all Children will be offered a school place, subject to section(s) 4.8 and 4.9.

A Child applying for admission to a class other than Junior Infants but seeking admission to the An Cuan Autism Support Class should see section 7 of this Admissions Policy. If the Child is also applying for a place in the mainstream class in the event of an unsuccessful application to the An Cuan Autism Support Class, this section 6 is also applicable.

Incomplete applications received by the school will not be processed under this policy.

6.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 6.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Raheen Wood Community National School is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which children have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the An Cuan Autism Support Class.

For the avoidance of doubt, if a child does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same class group in the following academic year, a new application must be made on behalf of that child during the dates specified by the school as being the period when it will accept applications to all classes other than the Junior Infants Group.

Where an application is made on behalf of a Child for both the An Cuan Autism Support Class and a mainstream class group, and his/her application for one but not both is successful, s/he will remain

in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place that was offered.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a child is admitted to the school.

6.1.2 Selection criteria in order of priority

Raheen Wood Community National School will apply the following criteria for admission to all classes other than Junior Infants:

- 6.1.2.1 Priority is given to brothers and sisters of children already in the school or who have attended the school in the past.
- 6.1.2.2 The child is a son/daughter of a current member of the teaching staff.
- 6.1.2.3 The child or family of the child, who reside in Ireland, have previous experience of Steiner (Waldorf) Education.
- 6.1.2.4 The child resides in the Catchment Area and their primary residence is within a 20 km distance by road of the school. If the class is oversubscribed within the application of this particular criterion, then a lottery for the remaining places will take place.
- 6.1.2.5 Any remaining applicants.

See Section 7 for selection criteria applicable to admission to the An Cuan Autism Support Class.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an applicant is admitted.

6.1.3 Selection process

Raheen Wood Community National School will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the relevant class still has places available, the remaining applicants are considered in light of the second criterion and those applicants who meet this criterion will be offered a place within the relevant class. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Raheen Wood Community National School will apply a random lottery to assign any available places in the relevant class, or on the waiting list, to those applications.

N.B. The number of places available in a mainstream class group is subject to reduction in the event that a placement(s) in the An Cuan Autism Support Class is/are given to Student(s) from that mainstream class group, *i.e.* the selection process for the An Cuan Autism Support Class will be completed before the selection process for the mainstream class group and the number of Students who are offered a place in the An Cuan Autism Support Class will be the number by which the places in the relevant mainstream class group(s) are reduced².

6.1.4 Late applications:

An application received by Raheen Wood Community National School after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

² This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”

Where the relevant class is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section(s) 4.8 and 4.9. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where Raheen Wood Community National School is not oversubscribed, i.e. there is no waiting list, and it receives a late application, the child seeking admission will receive an offer of a place within the relevant class, subject to section(s) 4.8 and 4.9 and the same process as applies to applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the applicant for completion and return to the school within 2 weeks of issue.

6.1.5 Second/third-round offers of a place

Where a child is in receipt of an offer of a place within the relevant class but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next child on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the relevant class have been filled.

6.1.6 Acceptance of a place:

If the child in respect of whom the application is made is offered a place, the applicant will be issued with an Acceptance Form by the school.

The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

6.1.7 Refusal:

Where a child in respect of whom an application is being sought has not been offered a school place, the applicant will be provided in writing with:

- 6.1.7.1. The reasons that the child was not offered a place in Raheen Wood Community National School;
- 6.1.7.2. Details of the child's ranking against the published selection criteria, if the class-group to which the applicant is applying is oversubscribed;
- 6.1.7.3. Details of the child's place on the waiting list, if applicable; and
- 6.1.7.4. Details of the applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.8 and 4.9, an offer of admission may not be made where:

- 6.1.7.5. The information contained in the application is false or misleading in a material respect.

6.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 6.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 6.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 6.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Child on whose behalf the application was made shall lose his/her place for that academic year (and shall not be placed on a waiting list). If the Applicant still desires a place for that academic year, a new application must be made for the same academic year on behalf of that Child and shall be treated as a late application in line with section 6.1.4 above.

6.2 APPEALS

6.2.1. **Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a ‘BOMR1 Form’, available from the school office and at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School. Such a review must be sought by the Applicant within twenty-one calendar days of the school’s decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info@raheenwood.org

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a ‘Section 29 Appeal Form’, available at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-appeal-if-a-child-has-been-refused-admission-because-the-school-is-full> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. Contact details for the Unit are available on the Department’s website. As per the Department of Education’s ‘*Procedures for hearing and determining appeals under section 29*’, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal, whichever is earlier, and the appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

6.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Raheen Wood Community National School for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info@raheenwood.org. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available> and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals

Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

6.2.3. Basis for appeal:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

- 7.1.4. Late Applications

- 7.2.2. Appeal where refusal was for a reason other than oversubscription
- 7.2.3. Basis for a review by the board of management

7.1 Admission Provisions for the An Cuan Autism Support Class

Raheen Wood Community National School has a Special Class or Autism Support Class, An Cuan, established to provide education for students with severe/complex educational needs arising from Autism.

Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the An Cuan Autism Support Class will be considered. In this respect, the school requires that such severe/complex educational needs and the related diagnosis of the Student be evidenced and verified in a Relevant Report, the mandatory elements of which are set out in the Glossary of Terms section. The school also requires documentation from the NCSE (National Council for Special Education) confirming that the Child is known to the NCSE and has the required diagnosis and recommendation for a special class, in addition to a Relevant Report.

In the event that the An Cuan Autism Support Class in Raheen Wood Community National School is not oversubscribed, all Children whose needs fall within the category of special educational needs provided for by the An Cuan Autism Support Class and who submit the requisite Relevant Report together with the documentation from the NCSE, will be offered a place in the An Cuan Autism Support Class, subject to section 4.8 of this policy.

Incomplete applications received by the school will not be processed under this policy.

Students in the An Cuan Autism Support Class are subject to the school's Code of Behaviour.

7.1.1. Oversubscription:

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Raheen Wood Community National School is in a position to offer further school places that become available in the An Cuan Autism Support Class for and during that academic year, places will be

offered in accordance with the order of priority in which Children have been placed on the waiting list, subject to there being a place in the relevant mainstream year group. If there is not a place available in the relevant mainstream class group, the next person on the waiting list for the An Cuan Autism Support Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the An Cuan Autism Support Class for the remainder of that school year, *i.e.* if another place subsequently became available in the An Cuan Autism Support Class during that school year, the initial student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant mainstream class group for that student.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the An Cuan Autism Support Class shall be reviewed and if there is a place available in the An Cuan Autism Support Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in the given mainstream year group, that Student will be offered the place in the An Cuan Autism Support Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the An Cuan Autism Support Class are never under-utilised.

Where an application is made on behalf of a student for both the An Cuan Autism Support Class and a mainstream class, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the applicant accepts the place in the group to which the student was successful.

For the avoidance of doubt, if a student does not receive a place in the An Cuan Autism Support Class for a given academic year, but s/he wishes to be considered for admission to An Cuan Autism Support Class in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications for the An Cuan Autism Support Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether a student is admitted to the school.

7.1.2 Selection criteria in order of priority

Applications to the An Cuan Autism Support Class will only be considered if the Child's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the An Cuan Autism Support Class will apply:

7.1.2.1 The greatest level of need, as determined by the Principal in consultation with the SEN team in the school, having considered the Relevant Report in respect of the student; If two or more students are tied on this criterion then the next selection criteria in the list will be applied to those students to determine the order of priority of those students.

7.1.2.2 The child will be aged 4.5 years or over on September 1st in year of admission.

7.1.2.3 Priority is given to brothers and sisters of children already in the school or who have attended the school in the past.

7.1.2.4 The child is a son/daughter of a current member of the teaching staff.

7.1.2.5 The child or family of the child, who reside in Ireland, have previous experience of Steiner (Waldorf) Education.

7.1.2.6 The child resides in the Catchment Area and their primary residence is within a 20 km distance by road of the school. If the class is oversubscribed within the application of this particular criterion, then a lottery for the remaining places will take place.

7.1.2.7 Any remaining applicants.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an applicant is admitted.

7.1.3 Selection process

Raheen Wood Community National School will apply the selection process as follows:

Having met the criteria for admission to the An Cuan Autism Support Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the An Cuan Autism Support Class still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the An Cuan Autism Support Class. This process is continuously carried out against all selection criteria until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Raheen Wood Community National School will apply a random lottery to assign any available places in the An Cuan Autism Support Class, or on the waiting list, to those applications.

N.B. The number of places available in a year/class group is subject to reduction in the event that a placement(s) in the An Cuan Autism Support Class is/are given to Student(s) from that year group, *i.e.* the selection process for the An Cuan Autism Support Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the An Cuan Autism Support Class will be the number by which the places in the relevant mainstream year group(s) are reduced.³

³ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”

7.1.4 Late applications:

An application received by Raheen Wood Community National School after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where the An Cuan Autism Support Class is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section(s) 4.8 and 4.9. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where Raheen Wood Community National School is not oversubscribed and it receives a late application, the child seeking admission will receive an offer of a place within the An Cuan Autism Support Class, subject to section(s) 4.8 and 4.9 and the same process as applies to applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the applicant for completion and return to the school within 2 weeks of issue.

7.1.5 Second/third-round offers of a place

Where a child is in receipt of an offer of a place within the An Cuan Autism Support Class but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next child on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the An Cuan Autism Support Class have been filled.

7.1.6 Acceptance of a place:

If the child in respect of whom the application is made is offered a place, the applicant will be issued with an Acceptance Form by the school.

The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

7.1.7 Refusal:

Where a Child in respect of whom an application is being sought has not been offered a school place, the applicant will be provided in writing with:

- 7.1.7.1 The reasons that the child was not offered a place in Raheen Wood Community National School;
- 7.1.7.2 Details of the child's ranking against the published selection criteria, if the class-group to which the Applicant is applying is oversubscribed;
- 7.1.7.3 Details of the child's place on the waiting list, if applicable; and
- 7.1.7.4 Details of the applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.8 and 4.9, an offer of admission may not be made where:

- 7.1.7.5 The information contained in the application is false or misleading in a material respect.

7.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 7.1.8.1 The information contained in the application is false or misleading in a material respect, or
- 7.1.8.2 The applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 7.1.8.3 An applicant has not indicated:
 - (iii) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
 - (iv) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the child on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that child shall be treated as a late application in line with section 7.1.4 above.

7.2 APPEALS

7.2.1 Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a ‘BOMR1 Form’, available from the school office and at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School. Such a review must be sought by the Applicant within twenty-one calendar days of the school’s decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info@raheenwood.org

7.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Raheen Wood Community National School for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of Raheen Wood Community National School.
